PRINCIPAL'S MESSAGE

Dear Students and Esteemed Families,

As we close Term 3 and bring Academic Year 2025-26 to an end, I want to take a moment to reflect on everything our community has built together.

This year, our school underwent the ITQAN School Performance Review, and I am proud to share that our students' attainment and progress, collaborative learning, attitude and behavior, and our systems and processes were all recognized as areas of strength. Protection, care, guidance, and support were rated Very Good, as was our students' social and personal development. These outcomes are a direct reflection of the dedication our teachers bring to their classrooms every day and the trust our families place in us.

Dr. Samiksha Chaturvedi

We are also honored to share that in the Cognia Inspection, EAS achieved an Index of Education Quality (IEQ) score of 354 - the highest among Cognia-accredited schools in Sharjah. This distinction belongs to every student, teacher, and parent who contributed to our school's growth this year.

Perhaps most special of all, this year we celebrated the first graduating cohort to walk across our stage with both regular diplomas and distinguished diplomas in hand. Watching this milestone unfold is a proud moment for all of us, and it marks the beginning of what we hope will be a long and distinguished tradition for EAS.

None of this came without its challenges. Our community faced difficult periods this year, and I want to acknowledge the resilience our students, staff, and families showed throughout. When we needed to shift to distance learning, our teachers adapted quickly, keeping lessons interactive and engaging, and our students stayed connected and committed to their education even from home. That adaptability speaks volumes about who we are as a school community.

On the sports field, our students represented EAS with distinction across basketball, athletics, taekwondo, judo, fencing, rhythmic gymnastics, football, and more, bringing home medals and titles at the Fujairah Open International Taekwondo Championship, the Arab Women's Club Games, the Sharjah Athletics Championship, and our own inter-school basketball tournament, where EAS placed first among ten schools.

Innovation remained at the heart of our classrooms this year as well, with our AI curriculum and Innovation Labs giving students hands-on opportunities to build, experiment, and think critically about the world around them. To our students: thank you for your curiosity, effort, and heart this year. To our parents: thank you for standing beside us as supportive partners. And to our staff: thank you for your steadfast commitment to every child who walks through our doors.

Wishing you all a restful and joyful summer. We look forward to welcoming everyone back for another year of growth.

Emirates American School

TOGETHER WE STAND AS A NATION, AS A COMMUNITY

This term tested our community in ways few could have predicted. Yet across every phase, from our youngest kindergartners to our senior high school students, EAS proved that learning does not stop when classrooms move online.

Kindergarten online classes stayed full of fun, learning, and creativity. Children actively participated in engaging activities, interactive stories, rhymes, and hands-on learning sessions from the comfort of their homes. Our youngest learners showed us that curiosity does not need four walls to flourish.

Primary students stayed engaged and motivated from home, and their bond with the UAE stayed close to the surface throughout. For the UAE Flag Raising, each photo reflected pride and deep respect for the nation. Celebrating 50 Years of the UAE Armed Forces, students shared heartfelt messages of gratitude, honoring their courage and sacrifice in a tribute from the entire EAS community.

Students also explored museum galleries and historical artifacts through a virtual tour organized by the Sharjah Museums Authority, deepening their appreciation for the UAE's rich heritage. Alongside these moments of national pride, students stayed active too: Grades 1-3 explored healthy eating through a Fruit Fiesta, and in collaboration with Sharjah International Private School, our primary section took part in a 7-Day Fitness Challenge, securing first place, a proud reflection of student dedication and the encouragement of our teachers and parents.

Middle Grades students turned distance learning into an opportunity for real-world problem solving. Building on our "Innovation from Home" competition, students used simple household tools to design solutions to problems they identified in school, environment, community, or student wellbeing - from smart classroom noise alerts and plastic reduction ideas to recycling awareness tools and community cleanliness initiatives. This grew into our Problem Solving Challenge, where students continued identifying real issues and designing innovative responses. The range and creativity of submissions confirmed something we already knew: our students are thinkers and change-makers, online or off.

High school students explored a wide range of apps and digital platforms that kept lessons interactive and hands-on, from collaborative whiteboards to live polling tools that turned lessons into two-way conversations. A total of 99 students attended SAT, supported every step of the way by our dedicated teachers, whose commitment matched the students' own.

PROTECTED NATION, BUILD EDUCATION

In line with the safety and protection guidance provided by SPEA, we welcomed our students back to campus through dedicated assemblies and crisis management sessions, ensuring our community felt informed, prepared, and secure as we returned from online learning. During the assemblies, our Senior Segment Heads and Supervisors extended a warm welcome to students across the grades, sharing inspiring messages that reminded our young learners of the importance of resilience, and community. Students listened closely, encouraged by words that reflected on how far our school community has come.

Adding to the spirit of the day, our students and staff proudly wore the colors of the UAE flag as a symbol of respect and love for the nation that continues to provide safety, unity, and endless opportunities. It was a memorable moment that reflected our shared values and national spirit.

KINDERGARTEN

Ms. Marwa Gabr

MESSAGE FROM SENIOR SEGMENT HEAD OF KINDERGARTEN

Dear Parents,

As we come to the end of this wonderful academic year, I would like to take a moment to reflect on the incredible journey our kindergarten children have experienced. It has been a year filled with learning, growth, creativity, and joyful exploration.

Our young learners have made remarkable progress—not only in their early literacy and numeracy skills, but also in their social, emotional, and physical development. They have learned how to express themselves, build friendships, follow routines, and develop independence with confidence.

Through engaging activities, play-based learning, and interactive experiences, the children have explored new ideas, asked curious questions, and discovered the joy of learning. It has been truly rewarding to see their enthusiasm, creativity, and eagerness grow each day.

We sincerely appreciate your continuous support and involvement throughout the year. Your encouragement at home has played a vital role in your child's success and happiness in school. As we look ahead, we are confident that our students are well-prepared to take the next step in their educational journey. We are proud of each and every child and celebrate their achievements, big and small.

Wishing you and your family a joyful and relaxing holiday. We look forward to welcoming you back for another exciting year ahead.

LITTLE LEARNERS, BIG APPRECIATION FOR COMMUNITY HELPERS!

The children enjoyed role-play activities where they dressed up and acted as different community helpers. They asked thoughtful questions and shared their own experiences, showing great curiosity and understanding.

KINDERGARTEN SPORTS DAY

Our Kindergarten Sports Day was filled with joy, laughter, and endless enthusiasm as our young champions gave their best.

KINDERGARTEN GRADUATION

We celebrated KG Graduation with the sweetest send-off with tiny graduates, beaming families, and teachers who have watched these little ones bloom from their very first day. At the heart of it all was a theme close to every heart in the room - the immense pride our students feel in being part of the UAE. It was a day of joy, belonging, and the kind of love that only a school community can create. Congratulations to our KG graduates, we are so proud of each and every one of you.

PARENT TESTIMONIAL

Hello EAS KG families,

Emirates American School is more than just a place of learning—it's a second home. The teachers' dedication, care, and inspiration shape our kids into confident, curious, and happy learners. We are so thankful for this wonderful community! The school provides a safe, positive, and encouraging environment where children feel happy and motivated to learn every day.

We truly appreciate the efforts of Ms. Shamshina and Ms. Nahla in making learning enjoyable, meaningful, and engaging. Thank you, EAS, family's for helping my child to grow and learn.

Warmly,

Amal Almheiri

(Hamed's mommy)

PRIMARY SCHOOL

Ms. Walaa Makram

MESSAGE FROM THE SENIOR SEGMENT HEAD OF PHASE 2

Dear Parents,

As we come to the end of Term 3 and another successful academic year, I would like to take this opportunity to reflect on the wonderful journey we have shared and celebrate the many achievements of our Phase 2 students.

This has been a remarkable year filled with learning, growth, and memorable experiences. Our students have demonstrated resilience, determination, and enthusiasm in every aspect of school life, making us incredibly proud of all they have accomplished.

One of the greatest highlights of this year was our school's achievement of a 'Good' rating in the recent SPEA inspection.

We are especially proud that Phase 2 students' achievement was recognised as one of the school's EAS Strengths, reflecting the high standards our students have attained through their hard work, the dedication of our teachers, and the unwavering support of our families.

Throughout the year, we remained committed to nurturing the whole child. Alongside academic excellence, we continued to promote students' wellbeing, personal development, and leadership through our skill-enhancement programme, enrichment activities, sporting events, reading initiatives, competitions, and community projects. It has been inspiring to see our students grow in confidence, responsibility, creativity, and collaboration.

Term 3 was particularly vibrant, with students participating enthusiastically in a wide range of activities and celebrations. From literacy and fitness challenges to academic competitions, cultural events, and end-of-year celebrations, our students embraced every opportunity with positivity and determination. We are especially proud of the many achievements earned by our students, including their outstanding participation in inter-school competitions and their continued commitment to excellence both inside and outside the classroom.

None of these successes would have been possible without the strong partnership between home and school. Your continuous encouragement, trust, and active involvement have played a vital role in your children's success. Whether through supporting learning at home, participating in school events, or working closely with our teachers, your collaboration has made a meaningful difference, and we sincerely appreciate your ongoing support.

As we conclude this academic year, I would like to express my heartfelt gratitude to our wonderful students for their enthusiasm and perseverance, our dedicated teachers and staff for their passion and commitment, and our supportive parents for being valued partners in education.

We wish all our Phase 2 families a safe, relaxing, and enjoyable summer break. We look forward to welcoming our returning students in the new academic year, refreshed and ready for another exciting journey of learning and achievement. Thank you for being part of another successful year. Together, we continue to inspire excellence and help every child reach their full potential.

HONORING FASTING STUDENTS

In the blessed month of Ramadan, our young students truly shone as “Ramadan Stars” by observing fasting with dedication, patience, and strong faith. To recognize their commitment and inspire others, we proudly celebrated and rewarded these students for their efforts. Their enthusiasm and determination reflect the true spirit of Ramadan—self-discipline, compassion, and gratitude. We extend our heartfelt appreciation to our students for making us proud and to our school community for encouraging such meaningful values in our young learners.

RECYCLE ACTIVITY WITH PARENTS

Our Primary Section hosted a fun and meaningful recycling activity. Students created useful items from recycled materials with great creativity. Parents joined in, making the experience more engaging and interactive. Together, they shared ideas and enjoyed teamwork. The activity encouraged students to think creatively while learning about environmental responsibility. Parents joined the session, making the experience more interactive and enjoyable. Together, they shared ideas, worked as a team, and strengthened their bond. The classroom was filled with excitement, laughter, and creativity. Students developed teamwork skills and a deeper understanding of recycling. The activity promoted environmental awareness and responsibility. It was a joyful and enriching experience for all.

IMAGINATION PAINTING IN OUR SCHOOL CORRIDOR

Our Grade 1-3 students transformed the school corridor into a colorful gallery of creativity. Through art, they expressed their thoughts, emotions, and imagination, building confidence, self-expression, and emotional wellbeing in a fun and supportive environment.

DECORATING MY DESSERT

Our Primary Section students from Grades 1-5 joyfully participated in the “Decorating My Dessert” well-being activity, where they explored their creativity through fun and colorful dessert decoration. The event brought happiness, teamwork, and excitement among students. A sincere thank you to our teachers and supervisors for their wonderful support and guidance in making this activity a memorable experience for all.

TWINNING WITH MY FRIENDS

Our primary students enjoyed a joyful “Twinning with Friends” day filled with laughter, creativity, and friendship! Students came dressed in matching outfits with their friends, spreading happiness and teamwork across the school. The fun atmosphere highlighted the strong bonds between classmates and created beautiful memories for everyone. Teachers and supervisors warmly supported the activity, making the day extra special and full of smiles.

SUMMER PARTY

Our Primary students (Grades 1–5) enjoyed a joyful Summer Celebration filled with happiness and togetherness. Dressed in light, colorful outfits, the students spent a cheerful day sharing snacks, playing outdoor games, and participating in fun, relaxed activities with their friends and teachers.

The atmosphere was full of laughter, positive energy, and teamwork as learners enjoyed simple moments of connection and celebration before the break.

It was a beautiful day that created lasting memories for all our young learners.

SELF LEADER WORKSHOP

Our Primary students had the wonderful opportunity to attend an inspiring Self-Leadership Workshop presented by our prestigious parent council member, Ms. Manar Hamad. 🌈 The session encouraged students to believe in themselves, build confidence, take responsibility, and make positive decisions in their daily lives.

It was an engaging and meaningful experience that motivated our young learners to grow as confident and responsible individuals. 💛

LITTLE PILGRIMS LEARNING HAJJ

Our Primary students (Grades 1–5) explored the journey of Hajj through storytelling, interactive activities, role-play, and creative crafts. This meaningful learning experience helped them understand the values of faith, unity, patience, and devotion while fostering respect and appreciation for this sacred journey.

CREATIVE MIND IN ACTION

Our young learners unleashed their imagination and brought their ideas to life using colorful playdough. From animals and food to imaginative creations, children explored shapes, textures, and patterns while developing fine motor skills and creativity. It was wonderful to see their curiosity and innovation turn simple playdough into amazing wonders!

Laughter, curiosity, and collaboration filled the room as students shared their creations and inspired one another. It was truly a celebration of creativity in action, where imagination knew no bounds and every creation told a story of wonder and discovery.

LEGO DAY

Our primary students had an exciting and creative Lego Day, where they explored, built, and collaborated using colorful Lego bricks. Through imaginative designs and teamwork, children developed problem-solving skills, creativity, and fine motor abilities while having lots of fun. It was wonderful to see their unique creations come to life and their smiles shine throughout the day.

ARTIFICIAL INTELLIGENCE

Our primary students are proving that technology skills start early. From Grade 1 and 2 learners animating hide-and-seek games and ocean clean-up scenes in Scratch, to Grade 5 students programming real-world scenarios like beach clean-ups and recycling drives, our young coders are building computational thinking. Students also explored AI tools hands-on - designing AR sunglasses filters that track their own faces, turning rough sketches into polished digital art with AutoDraw, and learning what safe, responsible online behavior looks like.

GLOBAL DAY

Our primary section celebrated Global Day with great enthusiasm and joy! Students explored different cultures, traditions, foods, and costumes from around the world, fostering an appreciation for diversity and global unity. Through engaging activities and colorful presentations, children learned that although we come from different backgrounds, we are all connected as one global community. It was a wonderful day filled with learning, sharing, and celebrating cultures from around the world.

RAZ-KIDS TOP READER

Congratulations to Reem Hany (Grade 4), our RAZ-Kids Top Reader, for her outstanding dedication and love of reading. By reading the highest number of stories, she earned a medal from CleverTech and a Certificate of Appreciation from the school. Her achievement is an inspiration to all, showcasing the power of reading and lifelong learning.

GOODLUCK EXAM TREATS

As our phase 2 students prepare for their end of term assessment, the school shared a small Good Luck Treat as a gesture of encouragement and support. This thoughtful initiative was designed to boost confidence, reduce stress, and remind our learners that they are capable, prepared, and supported every step of the way.

The treats brought smiles and positivity, creating a warm and motivating atmosphere across classrooms. Teachers shared kind words, encouragement, and best wishes, inspiring students to do their best and believe in their abilities. We wish all our students great success in their exams. May they stay focused, confident, and proud of all they have learned. Good luck to our amazing learners!

DIY MODEL INNOVATION

Our Grade 1-5 students showcased their creativity and problem-solving skills during the DIY Model Innovation activity. Using simple materials and their imagination, they designed and built unique models that reflected innovative thinking, teamwork, and hands-on learning. The event provided an exciting opportunity for students to explore new ideas, strengthen their creativity, and confidently present their work. Every model was a wonderful example of how curiosity and imagination can turn simple concepts into inspiring creations.

TRANSITION OF GRADE 3 BOYS' SECTION

To mark an exciting new chapter in their educational journey, our Grade 3 boys participated in a special transition event to be prepared to join the Boys' Primary Section in the upcoming academic year.

The occasion was made even more memorable by the warm welcome extended by the Boys' Primary team. With cheerful smiles, enthusiastic applause, and heartfelt encouragement, they welcomed our students and helped them feel confident, valued, and excited about the next stage of their learning journey.

The event provided an opportunity for the boys to become familiar with their new environment while reinforcing the school's commitment to ensuring a smooth and positive transition. As they move forward, they carry with them the knowledge, skills, and confidence they have developed, ready to embrace new opportunities for growth, learning, and success.

We are incredibly proud of our Grade 3 boys and wish them every success as they begin this exciting new chapter in the Boys' Primary Section. We look forward to seeing them thrive in the year ahead.

STAR OF THE WEEK

Each week, our Star of the Week initiative celebrates students from Grades 1-5 who consistently demonstrate excellence in different aspects of school life. Students are recognized not only for their academic achievements but also for their positive social behaviour, outstanding attendance, active participation, kindness, responsibility, and commitment to learning.

This weekly recognition encourages every child to strive for their personal best while fostering confidence, motivation, and a positive school culture. We are proud to celebrate our shining stars whose dedication and enthusiasm inspire their classmates and make our Primary Section a place where every achievement is valued.

PRIMARY STAFF WELLBEING

As the academic year drew to a close, our Primary teachers came together to celebrate the journey they had shared through a series of joyful wellbeing and recreation events. From the vibrant Summer Party and the creative Palette Party to the nostalgic Reviving Childhood Memories celebration and the exciting Girly Gift Swap, each gathering provided an opportunity to relax, reconnect, and create lasting memories.

These special moments allowed our educators to unwind after a year of dedication, strengthen friendships, and celebrate one another in a warm and cheerful atmosphere. Filled with laughter, creativity, and togetherness, these events reflected the importance of staff wellbeing, reminding us that a happy and connected team creates a positive and inspiring environment for everyone.

SHINING STAR AWARD

The Phase 2 Shining Star Award is a special initiative introduced in the Primary Section to recognize and celebrate teachers who consistently go above and beyond in their commitment to excellence.

This award honors educators who demonstrate outstanding dedication in both academic instruction and extracurricular activities, creating meaningful learning experiences that inspire, motivate, and support students' holistic development. Their passion, creativity, and unwavering commitment make a lasting impact on the school community.

Through this initiative, we proudly acknowledge and appreciate the exceptional efforts of our teachers, whose hard work continues to illuminate the path to success for every child.

WRAPPING UP AN AMAZING ACADEMIC YEAR

The last day of school was filled with smiles, laughter, and heartfelt moments as our Primary students came together to celebrate the end of a wonderful academic year with a joyful farewell party. Classrooms were filled with fun games, music, delicious treats, and exciting activities that created a cheerful atmosphere for everyone.

It was a special opportunity for students to reflect on the friendships they had built, the memories they had created, and the achievements they had accomplished throughout the year. As they said goodbye to their teachers and classmates, they carried with them happy memories, valuable lessons, and excitement for the adventures that await in the new academic year. Wishing all our students a safe, happy, and refreshing summer break!

PHASE 2 ORIENTATION: STEPPING INTO PRIMARY

To ensure a smooth and confident transition into the new academic year, the Primary School hosted its Phase 2 Orientation Sessions for our future Grade 1 students from KG2, as well as for the parents of current Grade 1 to Grade 4 students who will be continuing their learning journey with us in the next academic year.

The programme was led by Ms. Wala'a Makram, Senior Segment Head (SSH) – Primary, who warmly welcomed all families and shared the school's vision of fostering a nurturing, inspiring, and student-centered learning environment where every child can thrive.

For our incoming Grade 1 students and their families, the session was held in the KG section and provided an introduction to the Primary learning environment, familiarizing them with Gr. 1 facilities, classrooms, daily routines, academic expectations, and the wide range of co-curricular activities that make learning both engaging and enjoyable.

For parents of students progressing from Grade 1 to Grade 4, the orientation offered valuable insights into the upcoming academic year, highlighting curriculum expectations, teaching and learning approaches, student support systems, and key developments across the Primary phase to ensure a successful and enriching learning experience.

The orientation provided families with a clear understanding of the exciting journey ahead, helping students feel confident, prepared, and supported as they take the next step in their educational journey while strengthening the partnership between home and school.

PHASE 2-AWARD CEREMONY

Our school proudly celebrated the achievements of our young stars in Phase 2, recognizing students who demonstrated outstanding academic performance and exceptional scores. Their dedication, hard work, and perseverance truly inspire us all.

This special occasion also highlighted something equally important – the power of partnership. We honored our amazing parents who showed active engagement and continuous support, going beyond expectations to contribute to their children's success and our school community.

💠 Because when schools and families work together, success becomes stronger and more meaningful.

Congratulations to all our achievers and supportive parents – you are the true pillars of this journey!

CELEBRATING OUR INSPECTION ACHIEVEMENT

We are delighted to celebrate our school's achievement of a 'Good' rating in the SPEA Inspection. This proud milestone reflects the dedication, hard work, and unwavering commitment of our students, staff, leadership, and parents in fostering a positive, inclusive, and enriching learning environment.

We are especially proud that Phase 2 students' achievement has been recognised as one of the EAS Strengths in the recent School Performance Review (SPR) feedback. This recognition highlights the impact of our collective efforts and our continued focus on improving student outcomes.

Receiving a 'Good' rating is a testament to our shared commitment to delivering high-quality education and nurturing every child's potential. We extend our heartfelt gratitude to our entire school community for their invaluable support, collaboration, and dedication in making this achievement possible.

As we celebrate this success, we remain committed to building on this strong foundation, continually striving for excellence, and reaching even greater milestones in the years ahead.

Congratulations to everyone who contributed to this remarkable accomplishment! 🎉🏆

TEACHER'S VOICE

Teachers voice

Inspiring. Motivating. Empowering.

Meet Our Teacher
Amany Hany
PE Teacher - Phase 2

Being a PE teacher at EAS Phase 2 has been such a rewarding journey. Every day brings new opportunities to inspire, encourage, and learn alongside my students.

Seeing their confidence grow, their teamwork improve, and their smiles during every lesson is the best part of my job.

The primary students are full of energy, curiosity, and kindness, which makes every class enjoyable and meaningful.

I feel proud to be part of a school that values creativity, collaboration, and the well-being of every child.

I'm truly grateful to work with such a supportive team and to create positive memories with my students every day.

“
Together,
we move, we learn,
we grow.
”

Teachers' Voice

EAS SCHOOL | SHARING EXPERIENCES. INSPIRING GROWTH. BUILDING OUR COMMUNITY.

PHASE 2 PRIMARY SECTION

Ms. Safaa Alhalabi
Grade 3 Homeroom Teacher

Dear EAS Community,

My name is Safaa Alhalabi, and I am a Grade 3 Homeroom Teacher at EAS School. I have had the pleasure of working here for two wonderful years. During this time, I have felt truly excited and grateful for this experience. Being part of the Phase 2 Primary Section has been a meaningful journey for me.

A Proud Achievement

During this year, our section proudly achieved a "Good" rating during the SPEA inspection.

This achievement reflects the hard work, dedication, and teamwork of our students, teachers, and school community.

My Journey of Growth

I have learned a lot, grown professionally, and improved in many ways. Every day has given me a new opportunity to support, guide, and inspire my students.

Looking Ahead

This experience has helped me become more confident and more passionate about teaching. I look forward to continuing this journey with dedication and enthusiasm. I am truly happy to be part of EAS School and the Phase 2 Primary family.

A Special Experience

Working with Grade 3 students has been a very special experience. Their energy, curiosity, and progress have made my journey even more rewarding. I am thankful for the support, encouragement, and collaboration I have received.

With appreciation and warm regards,
Ms. Safaa

“ A great teacher takes a hand, opens a mind, and touches a heart. **”**

PARENT TESTIMONIAL

As Inaaya Waqar's mother, I am extremely pleased with the Primary Section and the wonderful learning experience it provides. From the very beginning, I have seen remarkable progress in Inaaya's academic performance, confidence, and overall personality.

The teachers are dedicated, patient, and genuinely care about every child's success. They provide excellent academic support, ensuring that each student understands concepts clearly while encouraging independent thinking and a love for learning. I truly appreciate how they communicate with parents and work together to support each child's individual needs.

The Primary Section offers a perfect balance between academics and engaging activities. The creative classroom activities, hands-on learning experiences, celebrations, reading programs, STEM activities, art, and interactive lessons make learning enjoyable and meaningful. These opportunities have helped Inaaya develop not only academically but also socially and emotionally.

I also admire the positive, safe, and nurturing environment the school has created. Every child is encouraged to participate, express themselves, and build confidence. It is evident that the staff work tirelessly to provide the best education and care for their students.

I would like to sincerely thank the teachers, the Primary leadership team, and the entire school community for their dedication and commitment. I highly recommend this school to parents who are looking for a supportive environment where children can thrive academically, socially, and personally.

PARENT TESTIMONIAL

We are truly delighted with our daughter Setayesh Hassan's experience at the Primary Section. From the very beginning, she has loved going to school every day with excitement and happiness.

The Primary Section offers not only an excellent academic foundation but also places great emphasis on developing students' social skills, confidence, and overall personality. Through engaging classroom activities, creative learning experiences, and participation in inter-school competitions, Setayesh has grown into a more confident, independent, and enthusiastic learner.

As parents, it brings us immense joy to see how much she enjoys her school life while continuously learning and developing valuable life skills. We sincerely appreciate the dedication, care, and encouragement provided by the teachers and the entire Primary Section team. We are grateful to be part of such a nurturing and inspiring school community.

– Hasan Mahboobian & Arafah Moradpour
Parents of Setayesh Hassan

MIDDLE SCHOOL

MESSAGE FROM THE SENIOR SEGMENT HEAD OF PHASE 3

Dear Parents,

As we close the 2025-2026 academic year, we reflect with pride on our students' growth - academically, and as confident, respectful, and resilient individuals. This year also reminded us of the strength of our nation's leadership, whose guidance, "Protected Nation, Build Education," inspired our swift and successful transition to online learning. The cooperation of our parents, the dedication of our teachers, and the resilience of our students reflected the true strength of our school community.

Throughout the year, our students celebrated the Arabic language and UAE heritage during Arabic Week, took part in awareness assemblies on wellbeing and responsible citizenship, and demonstrated calm, responsible cooperation during our Shelter-in-Place Drill.

Dr. Mahum Ahmed

When a temporary shift to distance learning was required, our community responded with resilience, as teachers adapted quickly and parents supported learning from home.

Our students also embraced innovation, from developing creative solutions during the Innovation from Home competition to exploring artificial intelligence through hands-on coding projects. We marked the year's achievements with our End-of-Year Breakfast and Academic Excellence Award Distribution Ceremony, while sports activities continued to build teamwork, discipline, and school spirit. Through events celebrating Emirati Women's Day, We the UAE 2031, UAE Heritage, and the Year of Family, our students deepened their connection to national identity, unity, and belonging - supported throughout by strong partnerships with our parents through regular Parent-Teacher Meetings.

Looking ahead to 2026-2027, we remain committed to expanding opportunities in innovation, artificial intelligence, STEM, and real-world learning. Thank you to our students, staff, and families for another successful year - we wish you a safe and joyful summer.

AWARENESS ASSEMBLIES AND SESSIONS

Our students came together for a Safety Awareness Assembly, designed to help them understand how to stay safe in everyday situations. Through interactive sessions, students learned about personal safety, and how to respond confidently in different situations. The assembly encouraged our community to speak up, stay alert, and look out for one another.

INNOVATION FROM HOME

During our online learning sessions, we organized the "Innovation from Home" competition, where students were invited to develop creative solutions using simple tools available at home. We received a wonderful range of submissions, and we awarded some of the standout ideas from our young innovators, recognizing their creativity, problem-solving, and resourcefulness.

ARABIC WEEK

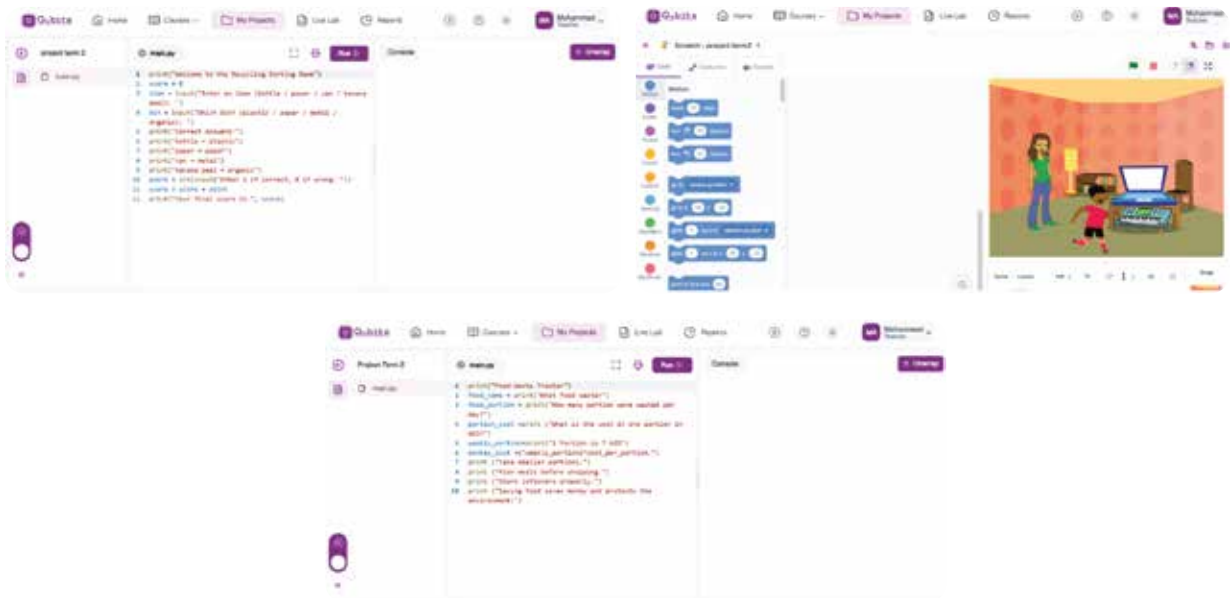

Our students celebrated Arabic Week through learning, writing, and hands-on activities that brought the language to life. From Arabic calligraphy to storytelling and classroom discussions, our students explored the beauty of the language and deepened their connection to it.

CELEBRATING NATIONAL IDENTITY AND UAE VALUES

As part of the Year of Family, our students came together to celebrate the UAE's culture, values, and national identity through art and creative expression. From vibrant artwork to shared stories and traditions, our community reflected on what family and heritage mean to us. A proud celebration of who we are.

ARTIFICIAL INTELLIGENCE

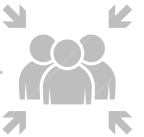

From Scratch to Python, our students are coding for a better planet. Grade 5 built animated Scratch scenes on beach clean-ups, recycling, and eco-friendly transportation. Grade 7 developed a Python-based Recycling Sorting Game that challenges players to correctly classify waste while practicing core programming skills. Grade 8 created a Python Food Waste Tracker that calculates the cost and environmental impact of wasted food, along with tips to reduce it.

SHELTER-IN-PLACE TRAINING

Students took part in a shelter-in-place training exercise as part of our ongoing commitment to campus safety and preparedness. Guided by our staff, students learned the procedures to follow in the event of an emergency, reinforcing a calm and coordinated response across the school. These exercises are an important part of how we care for our community, ensuring every child feels secure and supported at school.

PHASE 3 STUDENT AWARDS

Congratulations to our Phase 3 students recognized for their outstanding achievements this term. From academic excellence to accomplishments across a range of areas, these awards celebrate the dedication, curiosity, and hard work our students bring to school each day. We are proud of every recipient and inspired by the commitment they continue to show.

END OF YEAR CELEBRATIONS

Our students came together to share treats, stories, and plenty of laughter—a warm and fitting close to a year filled with growth, effort, and community. As we wrap up the academic year, we're grateful for every student who made it so memorable.

HIGH SCHOOL

Dr. Sally Ali

MESSAGE FROM THE SENIOR SECONDARY SCHOOL HEAD

Dear EAS Parents,

As we reach the end of Term 3, we pause with pride, gratitude, and deep appreciation to reflect on a truly remarkable chapter in the journey of our High School students at Emirates American School. This term was not merely the end of an academic year; it was a powerful celebration of learning, character, leadership, creativity, resilience, and belonging.

Throughout Term 3, our students demonstrated that education is not limited to textbooks, classrooms, or assessments. True education is reflected in the way students think, create, collaborate, lead, express gratitude, serve their community, respect their identity, and confidently prepare for the future. This term beautifully captured that vision through a wide range of academic, cultural, national, sporting, and student-centered experiences.

Our students participated in meaningful initiatives that strengthened their values, emotional intelligence, and sense of identity. Through “A Message to My Mom,” students expressed heartfelt gratitude and appreciation for the love, care, sacrifices, and guidance of their mothers. This initiative reminded us that strong character begins with appreciation, kindness, and respect for family values.

The Eid Al-Adha Celebration provided students with an opportunity to reflect on Islamic values, compassion, generosity, sacrifice, and unity. It created a joyful atmosphere where students celebrated their culture and traditions while strengthening their sense of belonging within the school community. Similarly, Emirati Women’s Day and the Proud of UAE Campaign allowed students to celebrate the inspiring journey of the United Arab Emirates, its visionary leadership, rich heritage, national achievements, and values of loyalty, tolerance, innovation, and excellence.

ROBOTICS PROJECT SHOWCASE

Students engaged in a hands-on robotics learning experience where they accurately assembled robotic hardware, explored sensor technology, and applied the engineering design process to test and refine robot movement. Through this practical activity, students strengthened their understanding of robotics systems, programming, measurement, logic, and algorithms.

The activity provided an effective cross-curricular STEM experience, integrating Science through sensor technology and data collection, Technology through robotics programming, Engineering through assembly and testing, and Mathematics through logical reasoning and measurement. It also enhanced essential future-ready skills, including critical thinking, creativity, collaboration, innovation, computational thinking, and problem-solving.

STEM PROJECT (INFENTO)

High School students actively engaged in the Infento Engineering Challenge, a hands-on STEM learning experience that introduced them to authentic engineering concepts through the design and assembly of mechanical structures using Infento construction kits. Working collaboratively in teams, students identified key components, applied the engineering design process, tested their models, and refined their solutions through critical analysis and problem-solving.

This enriching activity promoted active, inquiry-based learning by enabling students to connect theoretical STEM knowledge with real-world application. It also strengthened essential future-ready skills, including collaboration, innovation, critical thinking, engineering design, and creative problem-solving.

A MESSAGE TO MY MOM

The “A Message to My Mom” initiative was a heartfelt and meaningful activity that gave students the opportunity to express their love, gratitude, and appreciation for their mothers. Through touching messages, creative writings, and sincere words, students reflected on the endless care, support, sacrifice, and guidance that mothers provide in their lives.

This initiative helped students strengthen their emotional expression, develop a deeper sense of appreciation, and recognize the important role of family values in shaping character, kindness, and responsibility. It also created a warm atmosphere filled with love, respect, and gratitude, allowing students to celebrate the special bond they share with their mothers.

The activity beautifully reflected the school’s commitment to nurturing students’ moral values, empathy, and emotional well-being. It reminded our students that simple words of appreciation can carry a powerful impact and create lasting memories for both students and their families.

CAPSTONE PROJECTS

Our Grade 12 students proudly showcased their Capstone Projects, demonstrating outstanding creativity, critical thinking, research skills, and real-world problem-solving abilities. Through this meaningful academic experience, students explored important topics, investigated practical challenges, and presented innovative solutions that reflected their knowledge, confidence, and readiness for future academic and professional pathways.

The Capstone Projects provided students with a valuable opportunity to apply what they have learned across different subjects, connect their ideas to real-life contexts, and develop essential skills such as independent inquiry, collaboration, communication, digital literacy, and presentation skills. Each project reflected the students' ability to think deeply, analyze information, and transform their learning into purposeful outcomes.

This showcase was not only a celebration of academic achievement, but also a powerful reflection of our students' growth, ambition, and leadership. We are incredibly proud of our seniors for their dedication, professionalism, and commitment to excellence as they continue preparing for success beyond school.

EMIRATI WOMEN'S DAY

Emirati Women's Day is a proud national occasion that celebrates the remarkable achievements, contributions, and inspiring journey of Emirati women in shaping the progress of the United Arab Emirates. It is a day to honor their strength, ambition, leadership, and dedication across all fields, including education, science, business, culture, government, innovation, and community service.

At Emirates American School, this occasion provided students with a meaningful opportunity to recognize the vital role of Emirati women as leaders, role models, mothers, educators, and pioneers of success. Through this celebration, students reflected on the values of empowerment, resilience, national identity, and responsibility, while gaining a deeper appreciation of the UAE's continued support for women's advancement.

This special occasion also inspired our students to believe in their abilities, pursue excellence, and contribute positively to their community and nation. Emirati Women's Day beautifully reflects the UAE's vision of empowering women and celebrating their essential role in building a bright, progressive, and sustainable future.

PLANTING FOR A SUSTAINABLE TOMORROW

Our high school students planted medicinal plants, linking what they learn in class to the soil beneath their hands. They explored how these plants have been used to heal for centuries and saw the science behind them up close. It's hands-on learning at its best.

EAS ARDUINO PROJECT SHOWCASE

Students successfully designed and programmed an Arduino-based smart distance detection system using an ultrasonic sensor, LEDs, and an LCD display. The system was able to detect nearby objects, measure distances accurately, and provide real-time feedback through clear visual indicators.

Through this hands-on STEM project, students explored coding, electronics, and engineering to build a smart detection model, strengthening their problem-solving, computational thinking, and real-world technology skills.

SENIOR BREAKFAST & LUNCH

Our seniors came together for a special Senior Breakfast and Lunch, celebrating their journey and the memories made along the way. It was a day filled with laughter, gratitude, and togetherness as we honored this milestone in their academic journey.

SENIOR WALK

Our seniors took their final walk through the halls they've called home for years, greeted with cheers, applause, and pride from the entire community. The Senior Walk marked a heartfelt farewell as our students stepped closer to their next chapter.

GRADUATION

We proudly celebrated our Graduation Ceremony, marking a beautiful milestone in our students' journey. We were honored to welcome His Excellency Abdullah Hamdan Bin Dalmook, CEO of Hamdan Bin Mohammed Heritage Center, as Guest of Honor for the Girls' Graduation Ceremony, and His Excellency Sheikh Dr. Salem bin Abdulrahman Al Qasimi, Chairman of the Ruler's Office, as Guest of Honor for the Boys' Graduation Ceremony. It was a day full of pride, happiness, and heartfelt memories as we watched our graduates take this important step forward. Congratulations to our graduating class - we are so proud of all you have achieved!

NURTURING GROWTH AND WELL-BEING

Student well-being sits at the heart of everything we do. Throughout the 2025–26 academic year, our Pastoral Department and Social Workers delivered a comprehensive program of preventative, developmental, and responsive support designed to promote positive behavior, personal growth, and meaningful school engagement for every student.

Building Strong Foundations in Elementary (Grades 1–4)

Classroom lessons on kindness, friendship, empathy, and respect were woven into daily school life, alongside activities that helped students develop emotional regulation and self-management skills. Bullying prevention and conflict resolution lessons gave our children practical tools for navigating relationships, while dedicated Good Touch / Bad Touch sessions taught personal safety and body awareness in an age-appropriate, reassuring way. Hygiene and healthy lifestyle campaigns encouraged good habits early, new students received dedicated transition support, and individual and small-group sessions helped children build social skills at their own pace. Positive behavior was recognized and celebrated throughout the year, with parents kept closely involved through regular communication and welfare follow-up.

Developing Character and Independence in Middle School (Grades 5–8)

Middle school programming centered on character education, digital citizenship, and responsible technology use, supported by anti-bullying and cyber safety workshops. A dedicated awareness lecture series for our Grade 7 and 8 female students addressed daily attendance, punctuality, and positive behavior inside and outside the classroom, alongside sessions on bullying and its effects and a review of the school's Code of Conduct. The series concluded with a community outreach session, Safe Adolescence, delivered by Dr. Amal Abdel-Mawla, Director of the Sundus Centre, Helwan Branch. Students also strengthened their peer relationships and conflict management skills, while sessions on study habits, organization, and goal-setting prepared them for greater academic independence. Emotional well-being and stress management activities, individual counseling, and behavior support ensured no student navigated difficulties alone, with parent meetings and intervention planning arranged whenever needed.

Preparing Future-Ready Graduates in High School (Grades 9–12)

Our high school students received targeted support for the road ahead. Weekly career counseling sessions, university readiness guidance, and Senior Capstone Project support helped students shape their post-secondary pathways. Workshops on time management, examination preparation, and academic integrity built the skills needed for success, while mental health awareness and leadership initiatives, including our Bus Champions program, where House Captains ensure the safety of younger students, gave students opportunities to lead and serve. Individual mentoring and graduation monitoring ensured every senior stayed on track toward their goals.

Whole-School Initiatives (KG–Grade 12)

Beyond grade-level programming, the department coordinated school-wide efforts that brought our community together. The Show Up & Grow attendance campaign, Positive Behavior Interventions and Supports (PBIS) through the MTSS framework, House System competitions, and recognition assemblies celebrated effort and excellence across all ages. Health and well-being remained front and center through the Breast Cancer Awareness Campaign, the Healthy Choices and Hygiene Campaign, mental health promotion, and Child Protection and Safeguarding awareness. Our Reflection Wall offered a visible record of growing student engagement across the year, capturing student voices and milestones as the community grew together. National Day, International Day, and community service initiatives strengthened cultural pride and social responsibility, while parent workshops and family engagement activities ensured our families remained true partners in every student's journey.

SCHOOL-WIDE HIGHLIGHTS

EID CELEBRATION

Our community came together to celebrate Eid al Adha with warmth. Students and staff dressed in traditional attire, filling our hallways with color and pride as they shared the significance of the occasion with one another. Sweets and treats were exchanged among friends and staff, Eid wishes were shared throughout the day, and our assemblies brought everyone together to reflect on the values of gratitude, generosity, and togetherness that the celebration represents.

STUDENT ACHIEVEMENTS

PRIMARY SCHOOL

BASKETBALL CHAMPIONSHIP

Our amazing Grade 5 girls shined brightly in the Schools Basketball Championship Finals, earning a well-deserved 3rd place.

Their determination, teamwork, and incredible spirit truly made us proud. Watching them compete with such passion and confidence was a victory in itself!

We could not be prouder of our students; they have made us all celebrate this special achievement.

JUDO AND TAEKWONDO CHAMPIONSHIP

Our Grade 3 and Grade 4 Girls students continued to shine, winning 17 medals:

🥇 5 Gold, 🥈 5 Silver, 🥉 7 Bronze

In the Taekwondo competition organized by Sharjah Women Sports.

In recognition of their remarkable performance, our school was honored with a special shield presented by the SWS.

We are incredibly proud of our students for their hard work and dedication, and we look forward to achieving even more success in the future.

ARCHERY CHAMPIONSHIP

We are incredibly proud of our Primary Section students for their outstanding achievement in the School Archery Championship.

A special congratulations to:

Aisha Abdullah Askar for securing 1st Place in the 9-10 Years category.

• Fatima Mohammed Al Nuaimi for securing 1st Place in the 11-12 Years category.

Sarah Sultan Al Suwaidi for securing 2nd Place in the 11-12 Years category.

Their dedication, focus, and exceptional performance reflect their hard work and determination. We are proud of their achievements and the excellent sportsmanship they demonstrated throughout the competition.

Middle School

SHARJAH WOMEN'S SPORTS ACHIEVEMENTS

JUDO CHAMPIONSHIP

Our Grade 6 girls showcased an outstanding performance at the Judo Championship, winning a remarkable 24 medals across different weight categories.

SHOOTING CHAMPIONSHIP

Congratulations to Shahed Badir Ibrahim Albuqaish Alraeesi (Grade 7E) for securing Third Place in the Shooting Championship.

ROWING CHAMPIONSHIP

Well done to Aisha Nasir Salim Alajil Alshehhi (Grade 7F) for achieving Third Place in the Rowing Championship.

ATHLETICS CHAMPIONSHIP

Congratulations to Aisha Nasir Salim Alajil Alshehhi (Grade 7F) for winning Second Place in the Athletics Championship. Her commitment and sporting spirit continue to inspire us all.

ACADEMIC EXCELLENCE

We celebrated our students' hard work and academic excellence through an award ceremony. Each award reflects dedication, growth, and a genuine love of learning. Congratulations to all our students - we are proud of every achievement, big and small.

ARABIC READING CHALLENGE

Congratulations to Nada Saud, on winning 2nd Place nationwide in the Arab Reading Challenge. Nada was honored at the final ceremony at Expo City Dubai. Well done to Nada, her family, and the teachers who supported her along the way!

High School

MODEL UNITED NATIONS

We're proud to recognize our students' outstanding achievements across two recent MUN conferences.

- Shaikha Al Swaidi (12H) – Delegate of Morocco and Khalf Ahmed Al Hosani (12A1) – Delegate of Switzerland First Place – Position Paper Competition at the University of Sharjah MUN Conference
- Hassan Amro (10A1) – Delegate of Ireland – Best Research Paper Award at the Taryam American Private School MUN Conference,

Congratulations to all our delegates!

ART FROM WASTE COMPETITION EEG

High School girls proudly participated in the Wind Turbine Building Competition – Building from Waste, where they demonstrated creativity, scientific understanding, and environmental awareness by designing and constructing wind turbine models using recycled materials.

The competition provided students with an engaging opportunity to apply STEM concepts in a practical and meaningful context. Through teamwork, innovation, and problem-solving, students explored the principles of renewable energy while developing a deeper understanding of sustainability and responsible resource use.

SHOOTING CHAMPIONSHIP

We are proud to announce that our students from the Emirati American School participated in the Shooting Competition held at the Sharjah Olympic Center for Women's Sports.

Congratulations to:

- * Shaikha Isa – Grade 9, for achieving 2nd Place 🥈
- * Latifa Abdullah – Grade 9, for achieving 3rd Place 🥉

We are very proud of their outstanding achievement and dedication. Wishing them continued success and excellence in future competitions!

VOLLEYBALL COMPETITION

A great and new achievement. Congratulations to Ms. Norhan and the High School girls' volleyball team for winning 2nd place in the Specialized School Volleyball Competition.

We are proud of this accomplishment. We congratulate the PE Department and Ms. Norhan.

Many thanks and appreciation to everyone who contributed and participated in this activity. We truly value the efforts of all those who were part of this success and made it possible.

ATHLETICS CHAMPIONSHIP

We are delighted to celebrate the outstanding achievements of our talented students in the Athletics Championship, where they demonstrated determination, discipline, and exceptional sportsmanship.

Our remarkable athletes achieved impressive results in the 300m race:

- 🏆 Fatima Saeed – Grade 12 | 1st Place
- 🥈 Aisha Omran – Grade 12 | 2nd Place
- 🥉 Fatima Mohammed – Grade 11 | 3rd Place
- 🥈 Aisha Nasser – Grade 7 | 2nd Place

These achievements reflect our students' commitment, perseverance, and passion for excellence. We are incredibly proud of their success and the way they represented Emirates American School with pride and distinction.

ROWING CHAMPIONSHIP

We are incredibly proud to celebrate the outstanding achievements of our talented students from Emirates American School in the Rowing Championship held at the Sharjah Women's Sports Foundation Club.

Our students demonstrated determination, discipline, and exceptional sportsmanship, earning remarkable results:

- 🥇 Leen Emad – Grade 12 | 1st Place
- 🥈 Hoor Hamdan Al Zaabi – Grade 8 | 2nd Place
- 🥈 Shamma Al Suwaidi – Grade 9 | 2nd Place
- 🥉 Aisha Nasser – Grade 7 | 3rd Place

Congratulations to our inspiring athletes for representing the school with pride, excellence, and commitment. Their success reflects the power of perseverance, teamwork, and passion for achievement.

STUDENTS EXCELLING IN SPORTS

A number of talented students have achieved remarkable sporting accomplishments, earning advanced positions in various championships and sports competitions. Some of their most notable achievements are as follows:

1- Meriem El Batoul Benzeroual – Grade 11: achieved 1st place 🏆 in the General Karate League (Kumite – Teams) for Ladies with Shabab Al Ahli Club, held at the Sharjah Club Hall – Al Hazana Branch (2025–2026 season)

Hamad Abdullah grade 12 secured 1st place 🏆 and Hamdan Abdullah grade 10 secured 2nd place 🥈 in the Ellington Padel Tour Championship, held in Abu Dhabi. Also The two brothers, as part of the UAE Padel National Team, achieved 2nd place 🥈 in the Gulf Padel Cup Championship, which was held in Qatar, delivering an outstanding performance and representing their national team with distinction

3- The two siblings: Muzna Youssef Al Ali grade 8 earned the 1st-degree black belt (Dan 1 – Shodan), and Ibrahim Youssef Al Ali grade 11 earned the 2nd-degree black belt (Dan 2 – Nidan).

4- Salem Badr, Grade 12 student and an archery athlete, won second place in the Archery Championship held in Abu Dhabi.

STAFF ACHIEVER AWARDS

We are proud to recognize the exceptional contributions of our staff through our Achiever Awards. These awards celebrate the dedication, expertise, and commitment our team brings to our school every day. Their passion shapes the experience of our students and strengthens our entire community - and for that, we extend our heartfelt congratulations.
