PRINCIPAL'S MESSAGE

Dear Students and Esteemed Families,

Eid Mubarak !

As we prepare to embark on a new term, I extend my warmest wishes to each of you for a joyful and peaceful Eid. May this special occasion fill your homes with love, happiness, and a sense of togetherness.

The safety and well-being of our students continue to be our foremost priority. In these difficult times in the UAE, the importance of connection and support within our community cannot be overstated. The emotional and educational well-being of our students transcends the classroom and reaches into their homes and surroundings. I encourage families to maintain open lines of communication,

Dr. Samiksha Chaturvedi

not just regarding academic matters but also concerning emotional health. Engaging in meaningful discussions and shared activities can instill a sense of stability and belonging in our children. Together, let us cultivate an environment that fosters resilience and connection, ensuring our students feel secure and valued as we navigate these challenges as one united community.

By sharing this newsletter, we aim to present a comprehensive overview of our students' achievements and highlight their holistic growth. The insights provided serve to encourage us all to continue moving forward in collaboration with parents, fostering a sense of purpose and commitment that prepares our students to make meaningful contributions to society.

I would also like to express my heartfelt appreciation for your unwavering support during our recent ITQAN school performance visits. Your involvement made a significant impact and played a key role in our commendable reviews. It is through our collective efforts that we create a remarkable learning environment for our children.

Furthermore, I commend parents for their encouragement in guiding students to consistently attend online classes. Your commitment to their education not only empowers them but also fortifies our school community.

As we await further instructions from the SPEA regarding the learning mode for the upcoming term, we will keep you informed with timely updates. In the spirit of togetherness, let us remember the words of Helen Keller: "Alone we can do so little; together we can do so much."

Wishing you all a productive and enriching term ahead.

JOURNEY OF EXCELLENCE

We are proud to share the outcomes of the recent ITQAN inspection, reflecting the continued commitment of our school community to excellence in teaching, learning, and student development, and the collective efforts of our staff, students and parents.

KINDERGARTEN

Ms. Marwa Gabr

MESSAGE FROM SENIOR SEGEMENT HEAD OF KINDERGARTEN

Dear Parents,

As we come to the end of Term 2, I would like to take this opportunity to thank you for your continued support and partnership in your child's learning journey.

This term has been filled with wonderful learning experiences, joyful moments, and meaningful growth. Our Kindergarten students have shown great progress in their literacy, numeracy, social skills, and creativity. It has been truly heartwarming to see their confidence blossom, their curiosity grows, and their friendships strengthen.

From engaging classroom activities to collaborative projects and celebrations, our little learners have worked hard and achieved so much. We are incredibly proud of their efforts and positive attitude towards learning.

Thank you for reinforcing learning at home and for maintaining open communication with our teachers. Your involvement makes a significant difference in your child's development.

As we prepare for the upcoming break, we encourage you to spend quality time together, read daily with your child, and continue nurturing their natural curiosity.

We look forward to welcoming our students back refreshed and ready for an exciting Term 3. Wishing you and your family a safe, restful, and joyful holiday.

GULF CHILDREN'S DAY

Our KG students celebrated Gulf Children's Day with great enthusiasm and joy. The day was filled with face painting, art activities, and many cheerful moments as our young learners came together to celebrate and enjoy the occasion.

HAG AL LAILA

Our young learners celebrated Hag Al Laila last week, keeping this cherished tradition alive. The vibrant colors of traditional outfits met the excitement of sharing sweets, nurturing a love for our authentic Emirati heritage in every heart.

FUN MOVIE WITH MY DAD

In line with the UAE's vision for the Year of the Family, we continue to strengthen the sense of connection within our school community. As part of this, our KG students enjoyed a special Fun Movie Day with their dads, sharing laughter, stories, and simple moments together. The session created a warm and joyful atmosphere, giving children the chance to spend quality time with their fathers while celebrating the importance of family bonds in their early learning journey.

MAKING HAPPY MEMORIES WITH PARENTS

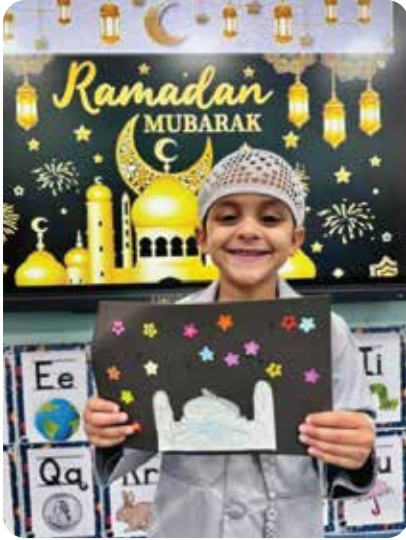

Our students had a joyful picnic day at school, filled with play, laughter, and time spent together with their parents. From outdoor games to sharing simple moments in the fresh air, the day was full of smiles and happy memories.

GO GREEN, LITTLE CHAMPIONS!

Kindergarten students at Emirates American School participated in “My Green Environment, My Future,” a series of activities that introduced them to caring for the environment. Through hands-on experiences such as planting greenery, building forest habitats with recycled materials, collecting natural nesting materials for birds, creating awareness posters, and taking part in recycling activities, students learned about protecting nature and respecting living things. The program also included visits to the school’s bird and animal corner, helping young learners understand their role in caring for the world around them.

RAMADAN ACTIVITIES

Our little ones celebrated the holy month with vibrant colors and plenty of love. With their tiny hands, they created beautiful Ramadan decorations, filling their classrooms with warmth and happiness.

BOOK FAIR

PARENT'S ARTICLE

Hello EAS KG families,

My experience with the school has been wonderful. I enrolled my children here when I saw the academic level of my older child, who joined at the beginning of the school's opening. The education here is innovative and uses methods that are appealing to students.

I don't need to do intensive re-teaching; a quick review is enough. This is why I enrolled my daughter Mariam in kindergarten – I aspire for her to have a strong educational foundation like her siblings. Establishing a solid foundation is crucial for a child's smooth progression through their education.

Credit goes to Ms. Shamshina, who took Mariam under her wing and made a significant difference in her learning, and also to Ms. Nahla, the Arabic teacher, who deserves my gratitude. I extend my sincere thanks to them for their dedication and for carrying out their responsibilities with excellence 😊

Warmly,

Amal Almajar

(Mariam's mommy)

PRIMARY SCHOOL

Ms. Walaa Makram

MESSAGE FROM THE SENIOR SEGMENT HEAD OF PHASE 2

Dear Phase 2 Parents,

Ramadan Mubarak and Eid Mubarak to you and your families. We hope that the holy month of Ramadan brought you peace, reflection, and togetherness, and that you enjoyed a joyful and blessed Eid celebration.

As we reached the end of Term 2, I would like to take a moment to celebrate the many achievements of our Phase 2 students and community.

One of the most significant highlights this term was the recent school review, where student attainment across the school was recognized as one of our key strengths. In particular, student achievement in Phase 2 was highly praised, making it one of the strongest phases in the school. This success reflects the hard work of our students, the dedication of our teachers, and the continuous support from our families.

At the same time, our focus goes beyond academic performance. In Phase 2, we are equally committed to supporting our students' wellbeing and personal growth. This is why we introduced a dedicated weekly period for skill-enhancement activities, designed to develop students' social, emotional, and life skills. It is very encouraging to see the positive impact of these initiatives, as students' personal and social development in Phase 2 improved from Good to Very Good in the recent review. In addition, care and support in Phase 2 was also rated Very Good. These outcomes reflect our strong commitment to the holistic development of every student.

This term was also full of competitions and enrichment opportunities that encouraged students to be active, confident, and engaged while developing a wide range of skills beyond the classroom. It was wonderful to see so many students participating enthusiastically and demonstrating teamwork, creativity, and perseverance.

We are also incredibly proud of the strong partnership we share with our parents. The active participation of Phase 2 families plays an important role in our students' success. Our parents not only support learning at home but also engage enthusiastically in school life through events such as Read with My Family, Emirati Children's Day, Hag Al Laila, and many other celebrations and activities throughout the term.

Thank you to our wonderful students, dedicated staff, and supportive parents for making Term 2 such a successful and memorable one. We look forward to building on these achievements as we continue our journey together.

Warm regards and stay safe,

WELCOME BACK TERM 2

At the start of term 2, We were delighted to welcome our Phase 2 students back to school. After a refreshing winter break, the school quickly came alive again with energy, enthusiasm, and a renewed focus on learning.

The beginning of the term was filled with excitement as students reconnected with their classmates and teachers and settled back into their routines. Our teachers were equally excited to begin a productive and engaging term, filled with enriching learning experiences and new achievements for all our students.

STAR OF THE WEEK

Every week, our primary school celebrates the Star of the Week from each class during the assembly! 🌟 Students are recognized for their hard work, kindness, and achievements, inspiring their classmates to do their best. It's a joyful moment filled with applause, smiles, and pride as we honor the special contributions of our young learners.

PHASE 2 SHINING STAR

Phase 2 Shining Stars celebrates the dedication and hard work of our amazing staff! 🌟 Every week, two staff members from Phase 2 are recognized for their outstanding efforts in supporting teaching and learning in the primary section. Their commitment, creativity, and positive impact make our primary section a brighter place for both students and colleagues. We are proud to honor their contributions and inspire others to shine too!

STAFF WELLBEING

Our school believes that a happy and supported team creates the best environment for learning. To promote staff well-being and strengthen our sense of community, the phase 2 team enjoyed a delightful breakfast picnic and a wonderful one-dish party where colleagues shared food, laughter, and memorable moments together. It was also a special time as our segment head expressed her appreciation for the dedication and hard work shown by the team during the school review, presenting small tokens of appreciation as a gesture of gratitude. These moments of togetherness and recognition remind us how valued and connected our school community truly is.

WINTER BREAK READING COMPETITION

The Winter Break Reading Competition in Phase 2 was a wonderful reflection of our students' dedication to reading. Over the winter break, students enthusiastically listened to, read, and completed quizzes on numerous stories on RAZ Plus Platform, demonstrating both commitment and a genuine love for learning.

At the beginning of Term 2, we proudly honored the three top readers in each class, recognized the top reader from every grade, and celebrated the overall Phase 2 Reading Champion, who achieved the highest reading engagement across Grades 1-5. Congratulations to all our winners and participants for making reading a meaningful part of their winter break. Today's readers truly are tomorrow's leaders!

READING CHAMPION

Congratulations to Jiayu wang for being the Phase 2 Reading Champion in the Winter Break Reading Competition. We are proud of you for this wonderful achievement!

BOOK FAIR 2026

At Emirates American School, the Book Fair is more than just an event—it is a joyful celebration of learning, imagination, and emotional wellbeing. 📖💡 As our phase 2 students explore colorful storybooks and engaging novels, they strengthen their reading skills, creativity, and confidence. Choosing their own books empowers children and builds independence, making learning meaningful and exciting. The Book Fair also provides a fun and relaxed environment where children laugh, share stories, and enjoy time with their peers. These joyful moments support mental wellbeing and help students associate learning with happiness and curiosity. 😊📚 Emirates American School believes in nurturing the whole child. By creating experiences beyond closed classroom education, the school supports students' emotional balance, motivation, and love for learning—ensuring their educational journey is both enriching and joyful.

SEEDS OF IMAAN

Our primary students are embracing the beautiful values of Islam in their daily lives. Through regular praying, reading the Quran, keeping themselves and their surroundings clean, and sharing with those in need, students are learning to live with kindness, responsibility, and compassion. These simple yet meaningful actions help our young learners grow into thoughtful and caring individuals, guided by the teachings of Islam.

ACTIVE LEARNING ADVENTURE

As we continue our journey of active learning in Phase 2, our students step beyond the traditional classroom setting to engage in exciting hands-on learning experiences. By creating models and participating in simple experiments, young learners explore concepts in a fun and practical way.

These activities encourage curiosity, creativity, and critical thinking, allowing students to understand ideas by observing, building, and discovering for themselves. It is wonderful to see our young explorers actively learning, experimenting, and strengthening their love for knowledge.

CAREER DAY

Our Phase 2 students enjoyed an exciting and inspiring Career Day, where they explored different professions and learned about the importance of dreaming big. Students came dressed as professionals such as doctors, teachers, engineers, artists, and more. Through fun presentations and interactive discussions, they shared their future ambitions and discovered how hard work and dedication can help them achieve their goals. The day was filled with enthusiasm, creativity, and curiosity as our young learners took their first steps toward imagining their future careers.

STUDENT EXCHANGE PROGRAM

This term, our Phase 2 students had an exciting opportunity to connect globally through three student exchange programs: two with Witty International School, India, and one with One World International School (OWIS), Saudi Arabia. These programs provided a meaningful platform for Grade 3 students to interact beyond borders and explore cultural diversity.

The virtual exchanges, themed “Interesting Facts About My Country – UAE, Saudi Arabia, and India,” allowed young learners to discover each other’s history, culture, traditions, and way of life. These experiences nurtured curiosity, promoted cross-cultural understanding, and strengthened a sense of global citizenship among our students

CHARACTER DAY

At the elementary section of EAS, we truly value the joy, curiosity, and imagination that children bring with them to school. Character Day is a special celebration that allows students to express their fascination with their favorite characters while returning to school with excitement and confidence.

On this day, children step beyond traditional education and enter a world where learning meets creativity. By dressing as their favorite characters, students are given the opportunity to explore their interests, share stories, and explain why a particular character inspires or comforts them. This experience encourages self-expression, communication skills, and confidence in a joyful and meaningful way.

We believe that education is not limited to books alone. Understanding a child’s emotional connection to characters helps nurture their feelings, imagination, and sense of identity. When students speak about their chosen characters, they are also learning to express emotions, values, and personal preferences in a supportive environment.

CROSS-CURRICULAR PROJECT

Our cross-curricular project for Grades 1 to 5 is a transformative educational program that nurtures creativity, collaboration, and critical thinking by engaging students in real-world challenges. Through designing and creating sustainable solutions, students integrate knowledge from various subjects to build essential learning skills.

Conducted in class with teacher guidance, the project is assessed using a detailed rubric that evaluates creativity, functionality, teamwork, and communication, providing students with a holistic understanding of effort and innovation. By participating, students not only enhance academic and practical skills but also grow as independent, socially responsible individuals ready to make meaningful contributions to their community and the world.

ENGINEER'S DAY

Our young learners celebrated Engineer's Day with an exciting STEM activity using LEGO. Students explored their creativity and problem-solving skills by designing and building different structures. Through this hands-on experience, children learned basic engineering concepts such as planning, teamwork, and critical thinking. The activity encouraged imagination and innovation while making learning fun and engaging for all students. It was wonderful to see our future engineers enthusiastically bringing their ideas to life.

HAQ AL LAILA

The magic of Haq Al Laila filled every corner of our primary section as students celebrated with excitement and joy! Sweet treats were distributed to all students, bringing smiles and laughter everywhere. The air was buzzing with happiness as children shared the treats with friends and enjoyed the festive spirit together. It was a wonderful way to embrace tradition, create memories, and celebrate the joy of giving across the entire school community.

GULF CHILDREN'S DAY

Our Phase 2 students joyfully celebrated Gulf Children's Day through a variety of engaging and interactive activities. The celebration was made even more special with the wonderful participation of parents, who joined their children in fun learning experiences and hands-on activities.

The event created a lively atmosphere filled with teamwork, creativity, and smiles. It was a meaningful opportunity to highlight the importance of children's wellbeing, learning, and happiness while strengthening the bond between school and families.

LITTLE TRADER DAY

Our Phase 2 young entrepreneurs brought excitement to school during Little Trader Day! Students set up their own mini stalls, trading and selling items while developing essential entrepreneurship skills such as money management, teamwork, communication, and problem-solving. The campus transformed into a vibrant marketplace, buzzing with creativity, enthusiasm, and joyful interactions, making the day both fun and educational for everyone involved.

HEALTHY LUNCHBOX CAMPAIGN

Our week-long Healthy Lunchbox Campaign in primary section encouraged students to make nutritious choices every day. Throughout the week, many engaging activities were conducted to promote healthy eating habits. Students prepared healthy meals during school activities, while our school doctor and nurse shared valuable tips on balanced nutrition during the morning assemblies.

To celebrate their efforts, appreciation certificates were awarded to students with the best healthy lunchboxes, inspiring everyone to adopt enjoyable and healthy eating habits.

READ WITH MY FAMILY

As 2026 has been declared the Year of the Family, the Elementary Section at EAS is proud to actively engage our valued families through the Read With My Family event. Our amazing families dedicated a special time to join us, making our students' day truly memorable and meaningful. We are grateful to have such supportive families as genuine partners in our children's success.

Phase 2 continues to shine even brighter with family engagement events

RAMADAN KAREEM

Phase 2 joyfully celebrated the spirit of Ramadan by encouraging students to practice the values of kindness, generosity, and sharing. Students participated in distributing food and enjoyed the warm Suhoor vibes, experiencing a sense of togetherness similar to family Suhoor gatherings. The activity helped them appreciate the joy of giving and the importance of compassion and community during this blessed month.

EFFECTIVE DISTANCE LEARNING

Phase 2 students experienced engaging and interactive learning from home through well-planned distance learning sessions. Teachers creatively used technology-based quizzes, online activities, and interactive tools to keep students actively involved in their lessons. These activities helped students collaborate, participate, and feel connected with their classmates, creating the feeling of being together in one classroom despite learning from different homes. Through innovation and dedication, our teachers ensured that learning remained meaningful, enjoyable, and effective for all students.

PARENT TESTIMONIAL

Hello Primary Section Family,

The primary school years are a very important stage in a child's educational journey. During this time, children build their confidence, develop strong learning habits, and begin to discover their interests and abilities.

I have noticed a remarkable and positive change in my daughter, Fatima. She has become more confident and enthusiastic, and she goes to school every day with great excitement and a genuine eagerness to learn something new.

At EAS, I have truly seen how the supportive environment and the dedication of the teachers help students grow both academically and personally. The teaching approach encourages students to participate actively, think critically, and enjoy the learning process.

I would like to sincerely thank the teachers, Ms. Wafaa, Ms. Samira, Ms. Eman, and Ms. Rana for their continuous support and the positive impact they have on the students every day. Their dedication plays a vital role in building a strong foundation for our children's future.

We deeply appreciate the efforts of the entire Primary Team for nurturing our child's learning, confidence, and love for education.

With warm appreciation,

Fatima Majid's Mother
Asma Hamad Fares Aal Ali

MIDDLE SCHOOL

Dr. Mahum Ahmed

MESSAGE FROM THE SENIOR SEGMENT HEAD OF PHASE 3

Dear Parents,

I would like to take this opportunity to thank all our parents for their continued support and active involvement in our school community. Your partnership plays a vital role in supporting our students' success and wellbeing.

We truly appreciate your participation in school events, meetings, and learning initiatives. Your engagement makes a meaningful difference in the educational journey of our students.

We look forward to welcoming you to future parent workshops and school activities, as we continue working together to provide the best possible learning experience for every child. Thank you for being an important part of our school family.

ASSEMBLIES

Our Middle School assemblies bring students together to share ideas, celebrate achievements, and reflect on important values. These moments help students grow in confidence, listen to different perspectives, and feel connected as a school community.

CALLIGRAPHY

Our students enjoyed working on calligraphy as they explored the beauty of letters and artistic expression. Through careful strokes and practice, they learned how writing can become a form of art while developing patience, focus, and attention to detail. It was a wonderful experience for students to express themselves creatively while appreciating the elegance of calligraphy.

QUTUHAL SEASON 7 GRAND FINALE

Our students attended the Qutuhal Grand Finale at our sister school, GISS Abu Dhabi, where young talents from across the network came together to showcase their skills and ideas. The event was filled with energy and excitement as students participated, connected with peers, and experienced the spirit of collaboration within the Global Schools Group community. It was a proud moment to see our students represent the school and be part of this inspiring celebration of learning.

READ WITH FAMILY

As 2026 is the Year of the Family, Middle School continued to strengthen this spirit of togetherness through a special community activity. Families joined us on campus, creating a warm and engaging atmosphere as students shared meaningful moments beyond the classroom. The gathering highlighted how strong family connections support students' growth and make school experiences even more memorable.

SUSTAINABLE DEVELOPMENT GOALS

Our students worked on projects focused on sustainable models and science-based experiments, exploring ideas that connect learning with real-world environmental awareness. Through research, hands-on activities, and creative model building, they examined how small innovations can support a more sustainable future.

TAKWEEN PROGRAM

As part of our commitment to preparing students for their future pathways, Grade 8 students have begun the Success Skills Program in collaboration with TAKWEEN – Abdullah Al Ghurair Foundation.

This initiative is designed to equip students with essential career readiness skills, helping them explore their interests, understand future opportunities, and develop the confidence needed to make informed decisions about their academic and professional journeys.

AWARNESS AND WELLNESS CAMPAIGNS

Supporting students' personal growth and wellbeing remains a priority in Middle School. We were honored to host Dr. Amal Abd Almullah, who conducted an engaging guidance session titled "Know Yourself." The workshop encouraged students to reflect on their strengths, build confidence, and understand the importance of self-awareness.

Students also participated in an Importance of Vaccination Awareness Campaign, helping them understand the value of preventive healthcare and the role each individual plays in protecting community health.

MARATHON

We organized a Middle School Marathon for students in Grades 5 to 8, bringing together nine schools from across Sharjah and around 900 participants. It was a proud moment to host such a large inter-school event, giving students the opportunity to represent their schools, connect with peers from across Sharjah schools and celebrate the joy of sports together.

HIGH SCHOOL

Dr. Sally Ali

MESSAGE FROM THE SENIOR SECONDARY SCHOOL HEAD

Dear EAS Parents,

As we conclude the second term, we take pride in celebrating the remarkable achievements of our High School Division. This term has been marked by unparalleled student engagement, academic rigor, and vibrant participation in a wide array of initiatives.

From Future Leaders Empowerment and Model United Nations (MUN) to Haq Al Lillah, Movie Day, and Sports Excellence Month, our students have consistently demonstrated leadership, critical thinking, collaboration, and civic responsibility. These experiences have also nurtured creativity, inclusivity, and a strong, cohesive school spirit. The vibrant energy and enthusiasm displayed across all High School activities has created a truly beautiful and inspiring scene, reflecting the students' passion and dedication.

During the recent inspection, students exemplified their academic excellence, strong character, and collaborative skills, providing clear evidence of the school's commitment to an education grounded in inquiry, research, and teamwork. Notably, all high school performance indicators have improved, with many rising from acceptable to good, and some even jumping from acceptable to very good, highlighting the tangible impact of focused effort and commitment during the inspection.

The synergy between dynamic extracurricular programs and a focused academic environment continues to prepare our students not only to excel within the school but also to thrive as responsible, engaged global citizens.

The second term has truly been a testament to our students' dedication and potential, and we celebrate their accomplishments alongside our valued parents, whose support and partnership remain vital to this journey of excellence.

As we look forward to the next term, we remain inspired by our students' achievements and committed to fostering a learning environment where every young leader can shine, innovate, and make a lasting impact. Together, we are shaping a future full of promise, excellence, and limitless possibilities.

THEMATIC THURSDAY

This initiative enhances student involvement and fosters a strong sense of school spirit by encouraging creativity, inclusivity, and active participation in a variety of activities. By providing students with opportunities to collaborate, express their ideas, and contribute meaningfully to school events, it cultivates a dynamic and engaging learning environment. As a result, students not only develop essential social and leadership skills but also strengthen their connections with peers and the broader school community, creating a supportive and vibrant atmosphere where everyone feels valued and motivated. Together, these clubs play a vital role in preparing well-rounded students equipped with essential 21st-century skills and a strong commitment to their community.

HAQ AL LAILA

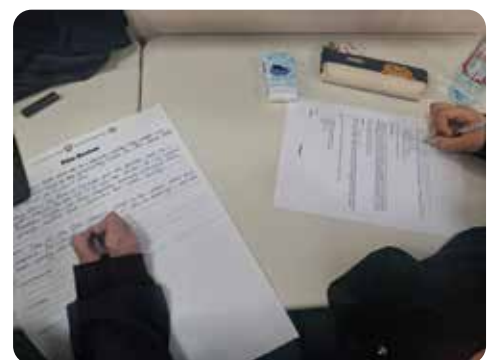

Haq Al Laila is a cherished Emirati tradition that reflects the rich cultural heritage and strong social values of the United Arab Emirates. Celebrated in the middle of Sha'ban, it brings children together as they dress in traditional attire, visit homes in their neighborhoods, and receive sweets and treats while sharing joyful chants. The celebration strengthens community bonds, promotes generosity, and helps younger generations connect with the authentic traditions and identity of Emirati society.

MODEL UNITED NATIONS

The Model United Nations (MUN) initiative at the school has successfully engaged 30 students from the upper grades, providing them with a valuable platform to develop critical thinking, research, and public speaking skills. Through participating in structured debates and representing different countries, students enhanced their understanding of global issues, diplomacy, and international cooperation. This experience strengthened their confidence, leadership abilities, and awareness of global responsibilities, preparing them to become active and informed global citizens.

MOVIE DAY

This activity engages students in developing their academic and communication skills through organized summary writing, thoughtful discussions, and dynamic debates. By analyzing ideas, exchanging perspectives, and articulating their viewpoints, students strengthen their critical thinking, improve their ability to express ideas clearly, and build confidence in collaborative learning environments.

CLUB ACTIVITIES

At Emirates American School, we believe that education extends beyond the classroom, and we are committed to developing students' personal, social, and leadership skills through meaningful extracurricular opportunities. To support this vision, the school offers five student clubs that enrich students' learning and strengthen their sense of responsibility toward society. The Sustainability Club promotes environmental awareness and responsible practices, the Innovation Club develops creativity and critical thinking through practical projects, the Community Service Club fosters empathy and active citizenship through volunteering initiatives.

SENIOR DEBATE SESSION

This experience enhances students' analytical and critical thinking skills, while also developing their ability to communicate persuasively and articulate ideas with clarity. By participating in structured discussions and debates, students learn to construct well-reasoned arguments, respond effectively to differing viewpoints, and engage thoughtfully with complex topics. Additionally, it builds their self-confidence, leadership abilities, and collaborative skills, preparing them to express themselves confidently in academic, social, and future professional settings.

المدرسة الأمريكية الإماراتية
Emirates American School

FUTURE LEADERS

INTERACTION WITH MEDIA DELEGATES FROM SINGAPORE

Our students led the visit, sharing what makes learning at EAS unique - international exposure through our Global Schools Group network, grounded in local values, and shaped by impactful learning experiences. The day reflected our culture, everyday learning, and the Emirati way of hospitality.

SCHOOL-WIDE HIGHLIGHTS

AWARD CEREMONIES

Junior Boys Section

Primary & Junior Girls Section

Senior Boys Section

Senior Girls Section

Across the grades, we appreciate our students through regular recognitions and award ceremonies that celebrate their efforts and growth. These moments go beyond academics, highlighting positive behavior, dedication, and overall development. By acknowledging students during assemblies and school events, we encourage confidence, consistency, and pride in their progress.

SPORTS EXCELLENCE

This term, EAS hosted and participated in several sports events. The school organized an inter-school basketball tournament on campus with teams from 10 schools, where EAS secured first place. A Middle School Marathon for Grades 5 to 8 brought together nine schools and over 900 students from across Sharjah.

Girls in Grades 9 to 12 attended a Sports Day at the Olympic Center for Girls, taking part in table tennis, athletics, archery, and judo. Grade 4 and 5 girls' basketball teams also competed in a tournament organized by the Sharjah Education Council and Sharjah Women's Sports Foundation, with both teams securing second place and qualifying for the finals.

Students participated in badminton and football tournaments organized by the Ministry of Education, with the football team qualifying for the semi-finals. Boys from Grades 4 to 8 joined a Sports Day in collaboration with Al Mleiha Club, competing in football, basketball, handball, volleyball, archery, and running races.

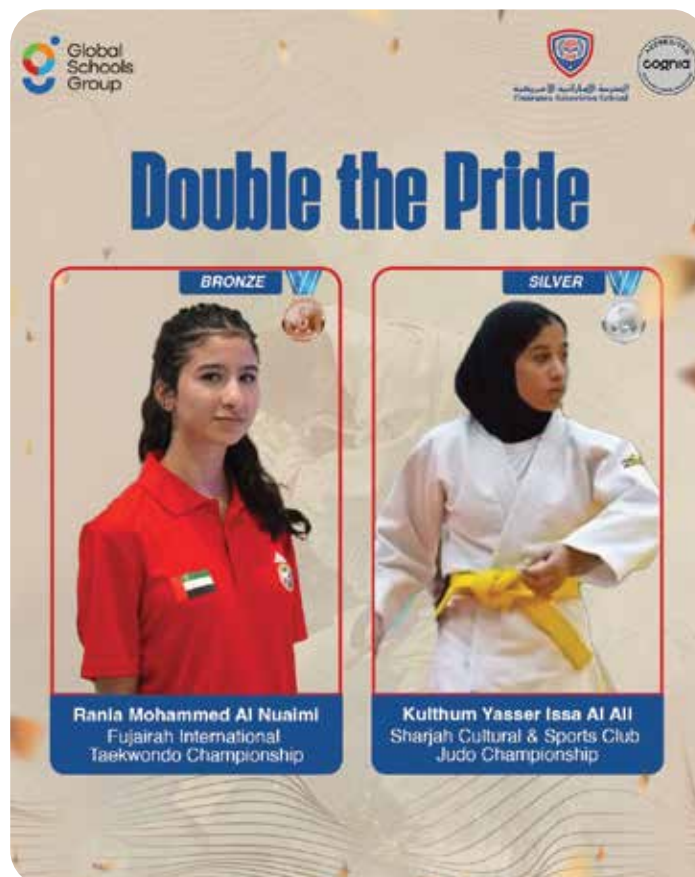

Girls from Grades 4 to 12 also represented the school at the Sharjah Athletics Championship, competing in track and field events, with ten students qualifying in the running competitions so far. In addition, twenty girls participated in a Specialized Olympic Shooting Course as part of a training program planned to be introduced to the school's sports offerings next year.

Together, these clubs play a vital role in preparing well-rounded students equipped with essential 21st-century skills and a strong commitment to their community.

STUDENT ACHIEVEMENTS

Huge congratulations to Shamma Abdullah Khalifa Al Mehairi for securing third place in Fencing at the Arab Women's Club Games.

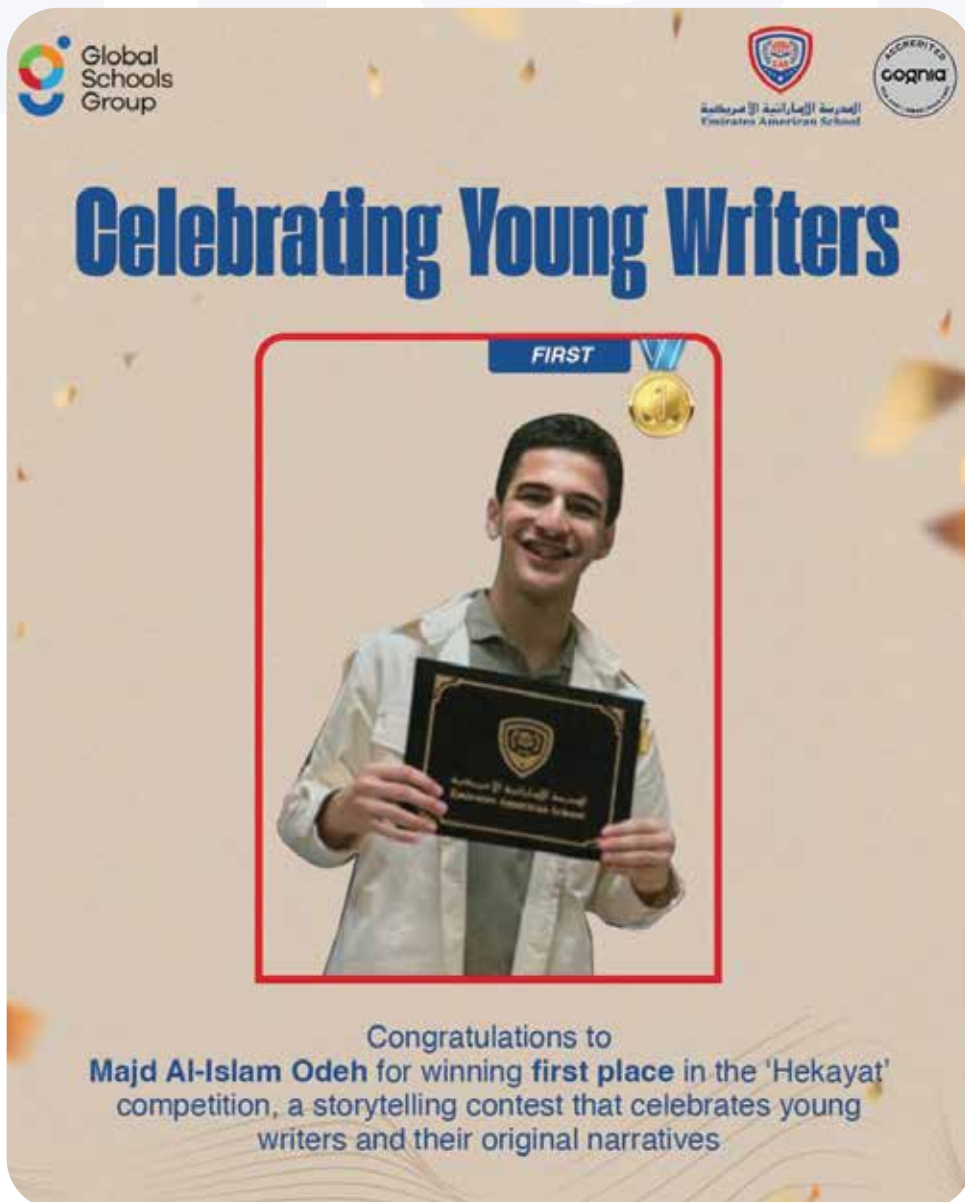

Congratulations to our national team champion, Shamma Al Suwaidi, on winning the bronze medal in Taekwondo at the Fujairah Open International Taekwondo Championship 2026. We are proud of you!

We are proud to share that Elyazia Alharthi of Grade 5 achieved outstanding success in rhythmic gymnastics, securing Second Place at the Wings Winter Cup and Third Place at the Premium Cup Rhythmic Gymnastics Competition in Dubai.

Congratulations, Elyazia!

PARENT DECISION-MAKING FORUMS

We value the feedback and inputs shared by our parents and actively consider their perspectives through our Parent Decision-Making Forum. This includes platforms such as the Parent Council, Parent Event Committee, Parent Research and Development Committee, and the Parent Sustainability Committee, where families can share suggestions and ideas that help guide school initiatives and community activities.

WHAT PARENTS SAID & WHAT WE DID

Incorporate more activities

Appointed Activity Coordinator and introduced several activities

Orison Mobile App introduced

Review SIP Priority 7

Focus on enhancing career and college readiness

Engaging alumni

Engaging alumni

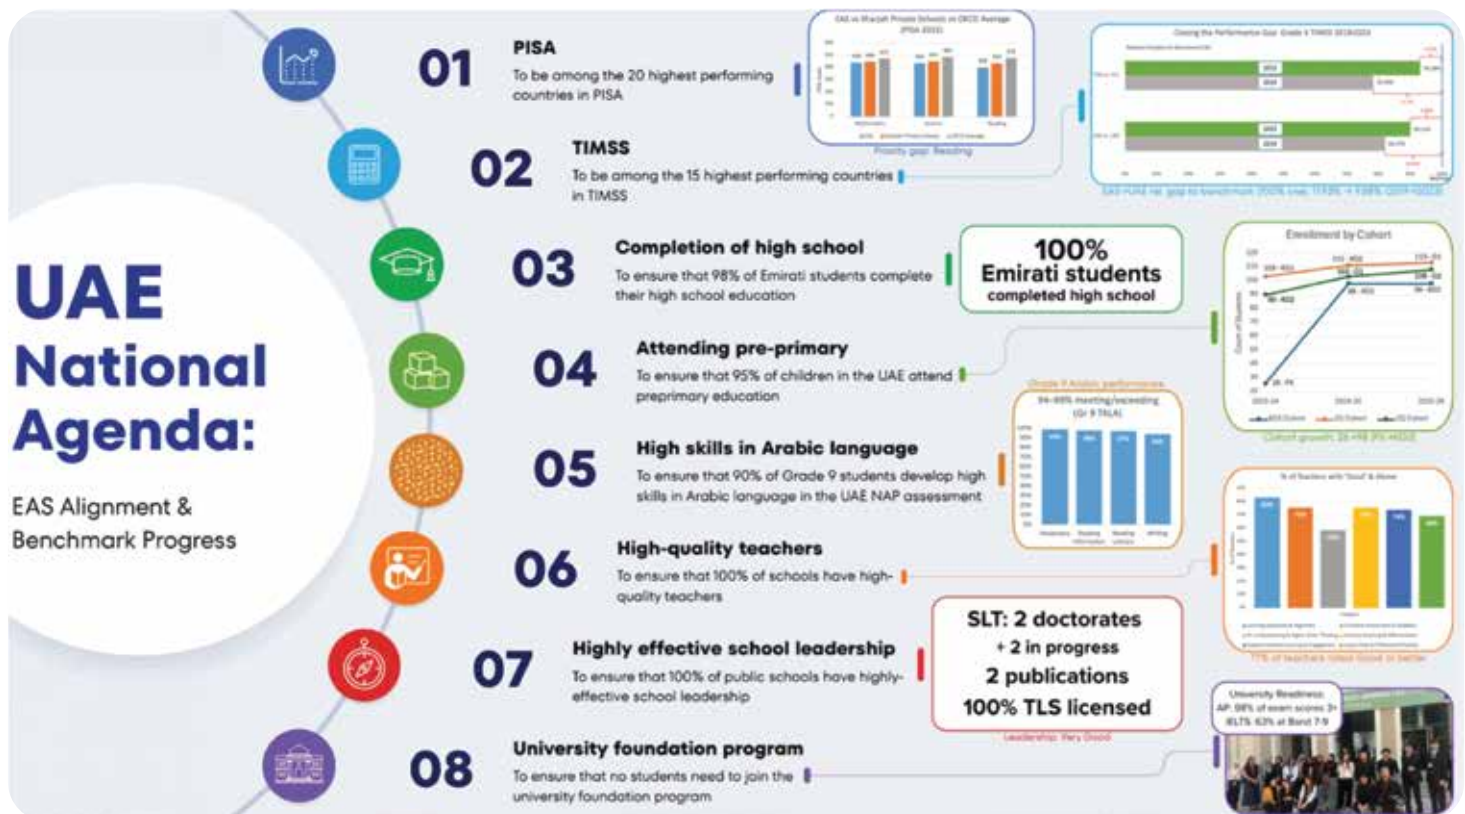

GOVERNORS' SUGGESTIONS AND IMPLEMENTATION

- BBD mock inspection as leadership support and guidance on overall school performance
- Use of technology to enhance teaching and learning
- Improve curriculum design and planning through:
 - Adapting HMH
 - Widening the high school curriculum to support career choices
 - Curriculum alignment
- Distinguished graduation pathways
- Use of technology which led to the BYOD program at school
- Use of AI, leading to the adoption of an AI curriculum across K-12
- Use of AI tools as teaching aids
- Innovation Lab
- Sustainability awareness and Quality Circle projects by GCEE (Global Centre of Educational Excellence)
- Expansion of middle leadership by promoting experienced teachers as Grade Coordinators (Phase 1) and Deputy Heads (Phase 2) with salary adjustments and reduced teaching load
- Introduction of Homeroom Teachers for Grades 1, 2, and 3
- Expansion of senior leadership, including Senior Segment Heads and a Senior Pastoral Coordinator
- Use of training platforms such as National College and Percipio for teachers and leaders

- Development of learning spaces, including play areas for Phases 1 and 2, free learning centres in Phase 1, Global Village, social-emotional learning areas, Lego wall, free reading area, and community service area
- Provision of learning resources such as ClassDojo, Kutubee, Raz-Kids Plus, HMH online resources, and WAGGLE for MAP test readiness

EAS Alignment with UAE National Agenda
